# UNICLUBS - SCIENCE, MEDICINE & HEALTH

By joining an Academic Club, you can attend events, meet new people, network and enhance your professional development.

In Science, Medicine & Health, you could...

- Go on a field trip with SHARP and learn about mental health first aid
- Be entertained by the medical students annual Med Revue
- Join BioNet for Science and Schooners
- Participate with Groundswell at the New Leaders Conference

## CLUBS TO JOIN

BioNet

Chemistry Society

Student Nurses as Professionals

Wollongong University Medical Students Society

AND MORE
